Explore this Guide carefully so you can understand all that is available to you and make your best decision for coverage.

2022-2023 Open Enrollment: April 25 to May 6, 2022

Carrier Informational Sessions

Online informational sessions have been scheduled during Open Enrollment with each carrier so that you may obtain more information about the health plan that you are interested in and to ask any questions. Please visit <https://ebenefits.ladwp.com/Home/ActiveEmplBenInfo> to view the schedule and to obtain the weblink and/or dial-in phone number.

Preparing for Enrollment or Enrollment Changes

Update your personal information: During Open Enrollment, current employees will have the ability to enroll in a different health and/or dental plan utilizing the eBenefits website at <https://healthcareladwp> (this is accessible with the LADWP intranet only). Changes can also be made on application forms. Enroll as early as possible to avoid any interruption to your benefit selections.

You can download enrollment forms from:

- eBenefits website <https://eBenefits.ladwp.com>
- MyDWP intranet site <https://healthcareladwp>

If you would like to speak with a LADWP Health Plans Representative, please call **(213) 367-2023** or **(800) 831-4778**, weekdays from 7:00 a.m. – 4:00 p.m.

Note: Employees enrolled in an IBEW Local 18-sponsored health or dental plan should contact the IBEW Local 18 Benefit Service Center, or update their address online at www.mybenefitchoices.com/local18.

Review your dependents: Are all your covered dependents still eligible? You must update your dependents (such as a new spouse, domestic partner or a new child) within **31 days** from a qualifying event, or you will not be able to add your dependent(s) until the next Open Enrollment period in 2023. See **page 14** for details.

Gather all of your documents: When you enroll, make sure you provide all of the required documents. You will need to provide each eligible dependent's Social Security number for verification purposes along with copies of any other supporting documentation (birth certificate, marriage certificate, domestic partnership). See **pages 14-15**.

Plan to keep proof of enrollment: Print or keep a copy of your form as proof of enrollment. Enrolling in and/or changing your benefits cannot be done verbally.

- ▶ For LADWP-sponsored plans, you can enroll by completing an enrollment form. See **page 8** for details.
- ▶ For IBEW Local 18-sponsored plans, you can enroll online. See **page 8** for details.

Please read this guide carefully to ensure you choose a health and dental plan that is best for you and your family. If you want to keep your current health and/or dental plans and coverage levels for you and the same eligible family members you cover today, you simply take no action. Your current coverage choices will continue automatically. However, please review this guide for any benefit coverage changes.

Note: Please review the subsidy and premium rate changes for the 2022-2023 plan year.

Important

You must remove dependents from your coverage if they no longer qualify as “eligible dependents.” See **pages 14-15**

Your Coverage Options

Health Plans

The plan you elect for yourself must also apply to your eligible covered dependents.

LADWP and IBEW Local 18 sponsor both health maintenance organization (HMO) plans and preferred provider organization (PPO) plans. Each plan offers you access to its own network of health care providers — hospitals, clinics and physicians — and administers the claims that you and other members submit for the care you receive.

Which plan is right for you? If you prefer to have your care coordinated through a single doctor, an HMO plan might be right for you. If you want greater flexibility or if you see a lot of specialists, a PPO plan might be a better option.

You can compare coverage of the various plans in the comparison charts on pages 22-31 of this guide.

LADWP-Sponsored Plans

- ▶ Kaiser HMO Plan
- ▶ UnitedHealthcare HMO Plan
- ▶ UnitedHealthcare PPO Plan
- ▶ UnitedHealthcare PPO Plan (Owens Valley employees only)**
- ▶ Health Plan of Nevada Plan HMO

IBEW Local 18-Sponsored Plans*

- ▶ Anthem Blue Cross HMO (Employee must live in CA)
- ▶ Anthem Blue Cross PPO Plan
- ▶ Anthem Blue Cross Prudent Buyer PPO Plan (Owens Valley employees only)**

Note: For certain LADWP-sponsored plans, if your child lives outside your medical plan's service area, he or she will be covered for emergency care only. In the event that he or she receives emergency care, you should contact your medical plan immediately. IBEW Local 18-sponsored plans may have additional coverage.

* All services for Employee Assistance Program (EAP), behavioral health, and substance use disorders covered under the IBEW Local 18-sponsored plans are managed through Optum Behavioral Health.

** If you move out of the Owens Valley, you must re-enroll in a non-Owens Valley LADWP or IBEW Local 18-sponsored plan within 31 days from the change. You cannot remain enrolled in an Owens Valley plan if you move out of the area and/or your work location changes.

Understanding HMO Plans

HMOs cover only the care you receive from their provider networks, except for emergency care. If you want to use a specific provider for your care, be sure to verify that provider is in the HMO's network.

If you do not live in an HMO's California network area, you should not enroll in that HMO's plan. If your covered eligible dependents live outside of the HMO's California network area, they will have limited coverage, typically for emergencies only. IBEW Local 18-sponsored plans may have additional coverage if your eligible dependent is set up under Guest Membership.

You pay a **co-pay** amount when you receive care. Providers file claims for you, which helps eliminate paperwork.

Understanding PPO Plans

PPOs cover care you receive from their provider networks (in-network care), but they also cover care you receive from other providers (non-network care). However, your benefits are paid at the highest level when you use a provider in your PPO network.

The PPOs have an **annual deductible** for most health care expenses. You are responsible for paying your eligible health care expenses until you reach your annual deductible.

After you meet the deductible, you pay a percentage of the covered expenses; this is called a **coinsurance** amount. The PPO pays the remainder of your covered expenses.

If your coinsurance amounts reach your **annual maximum**, the PPO pays 100% of your covered expenses for the rest of the calendar year.

You may be responsible for paying a fixed **co-pay** for certain provider visits. Co-pays do not count toward your deductible or out-of-pocket maximum.

Note: Preauthorization may be required for certain types of care. If you use an out-of-network provider, you will be responsible for amounts exceeding eligible medical expenses, and you may be required to file claims for expenses incurred.

Prescription Drug Coverage

Benefits for prescription drugs are included with your health plan choice. All plans offer you the convenience of filling your prescription at a retail pharmacy (or Kaiser-based pharmacy on the Kaiser HMO Plan) and ordering a longer-term supply through mail order, which can be useful if you take a maintenance medication.

Dental Plans

All plans offer 100% coverage for diagnostic and preventive services. Highlights of each plan's coverage appear in the comparison charts on **pages 33-35**.

Understanding DHMO Plans

Dental Health Maintenance Organizations, or DHMOs, cover only the care you receive from their provider networks, unless you need emergency care outside the plan's service area. If you do not live in a DHMO's California network area, you should not enroll in that DHMO's plan.

Understanding PPO Plans

A dental preferred provider organization, or PPO, gives you the choice of using in-network or out-of-network dentists. You will generally pay more if you use out-of-network dentists.

LADWP-Sponsored Plans

- ▶ Delta Dental PPO
- ▶ United Concordia Plus Dental Plan (DHMO)

IBEW Local 18-Sponsored Plans

- ▶ Guardian PPO
- ▶ Guardian DHMO (California only)

If you are a Security Officer (Class Code 3181), you are only eligible to enroll in the LADWP Delta Dental Plan, or you may elect the United Concordia Dental Plan through Local Union 721 Zenith American Solutions by calling **(877) 802-9740**.

Covering Your Eligible Dependents

If you elect coverage for yourself, you may also elect coverage for your family members who are “eligible dependents.”

Covering Your Spouse or Domestic Partner

To elect coverage for your spouse or domestic partner, you must submit this documentation to establish eligibility to the appropriate plan administrator (LADWP Health Plans Administration Office or IBEW Local 18 Benefit Service Center). If you and your spouse or domestic partner work at LADWP and are eligible for health care coverage, you must each elect coverage; LADWP employees cannot be enrolled as the dependent of another LADWP employee.

Dependent Type	Documents Required for Verifying Eligibility
Spouse	<ul style="list-style-type: none"> > Social Security number > A copy of certified marriage certificate
Registered domestic partner¹	<ul style="list-style-type: none"> > Social Security number > Your Declaration of Domestic Partnership issued by the California Secretary of State, or > An equivalent document issued by: <ul style="list-style-type: none"> – A local California agency, – Another state, or – A local agency within another state

¹ For domestic partner coverage for Health Plan of Nevada, you must complete a Domestic Partner Rider form.

² The Affidavit of Domestic Partnership – Health and Dental Enrollment form authorizes your domestic partner to receive your health care benefits only.

Covering Your Children

Eligible employees may also elect coverage for their eligible dependent children. Children can be covered by one eligible employee only. But if you have two children, the first can be enrolled by one parent and the second can be enrolled by the other parent, or one parent can enroll both children, while the other parent does not enroll any. To elect coverage for your child, you must submit this documentation to establish eligibility to the appropriate plan administrator (LADWP Health Plans Administration Office or IBEW Local 18 Benefit Service Center):

Dependent Type	Age Limit	Eligibility Definition	Documents Required for Verifying Eligibility
Biological child	Up to age 26 ¹	Minor or adult child of employee who is under age 26	<ul style="list-style-type: none"> > Social Security number > A copy of the child's birth certificate

A copy of the certification must be provided to the appropriate plan administrator (LADWP Health Plans Administration Office or IBEW Local 18 Benefit Service Center)	<ul style="list-style-type: none"> > Social Security number > A copy of the child's birth certificate and proof of the child's disability must be established before the child turns 26 > In addition, you may be required to submit documentation directly to your health care plan carriers: <ul style="list-style-type: none"> — Kaiser: Complete a Special Disabled Dependent Application — Anthem Blue Cross and Guardian: Contact the IBEW Local 18 Benefit Service Center for any required documentation — All other carriers: Contact the carrier's member services for any required documentation
Grandchildren	Up to age 26 ²	Your grandchildren can be added to the plan if they are children of your covered children	<ul style="list-style-type: none"> > Social Security number > A copy of the child's birth certificate

¹ Eligibility continues through the end of the month your eligible dependent turns age 26.

² When dependent's parent turns age 26, eligibility will continue through the end of the month.

Verifying Domestic Partner Coverage

After you submit the required documentation listed on **page 14**, you should follow up with the appropriate plan administrator to ensure it was accepted and to determine when the coverage will be effective.

If You Marry Your Domestic Partner

If you're in a domestic partnership and you marry your domestic partner, you need to submit a copy of your certified marriage certificate, an enrollment/change form and a Termination of Domestic Partnership form to the LADWP Health Plans Administration Office or IBEW Local 18 Benefit Service Center within 31 days from the date of marriage. If you do not submit the necessary documents, you will continue to pay income taxes on the subsidy for your domestic partner's coverage and any coverage for his or her children.

If You and Your Spouse or Domestic Partner Divorce/End Partnership

If you divorce or end your domestic partnership, **you must remove your ex-spouse/ex-domestic partner from coverage within 31 days**. You must:

- ▶ Notify the LADWP Health Plans Administration Office for LADWP-sponsored plans or the Benefit Service Center for IBEW Local 18-sponsored plans. To make your changes to an IBEW Local 18 plan, go to **www.mybenefitchoices.com/Local18**
- ▶ Complete an enrollment/change form
- ▶ Provide proof of the divorce/termination of domestic partnership

If you do not take these steps within 31 days after your divorce or termination of your domestic partnership:

- ▶ You will be billed for any services incurred by your ex-spouse or ex-domestic partner after the divorce/termination of your domestic partnership, and
- ▶ Your ex-spouse has up to 60 days to notify the plan of the divorce. If the plan is not notified within 60 days, your ex-spouse's COBRA rights *will be forfeited*. **See pages 46-49 for more information on COBRA Continuation Coverage.**
- ▶ **Your ex-spouse's/ex-domestic partner's coverage ends on the first day of the month after the enrollment/change form is received.**

If You and Your Spouse or Domestic Partner Work for LADWP

If you and your spouse or domestic partner work at LADWP and are eligible for health care coverage, you must **each** elect coverage; LADWP employees cannot be enrolled as the dependent of another LADWP employee. In addition, children can be covered by one eligible employee only. But if you have two children, the first can be enrolled by one parent and the second can be enrolled by the other parent, or one parent can enroll both children, while the other parent does not enroll any.

Tax Implications

If you cover your domestic partner and his or her children under your coverage, you will pay income tax on the amount of the health and/or dental plan subsidy that LADWP pays for their coverage. However, if you and your domestic partner are in a California-recognized registered domestic partnership, you won't have to pay California state income tax on this subsidy.

Verifying Child Coverage

To cover your dependent child, you must submit the required documentation, listed on **page 15**, to the appropriate plan administrator (LADWP Health Plans Administration Office or IBEW Local 18 Benefit Service Center). The effective date is the first of the following month after submission for changes made outside of the Open Enrollment period.

IMPORTANT: It is your responsibility to remove dependent(s) from your plan if they no longer qualify for coverage. See **page 55**, Improper Use of Benefits.

Surviving Eligible Dependents

Upon your death, your surviving spouse or domestic partner and/or surviving children may continue coverage if they:

- ▶ Are eligible to receive a monthly allowance under the Water and Power Employees' Retirement Plan, and
- ▶ Were covered as dependents on your health and/or dental plans at the time of your death

In order to continue coverage, your eligible surviving dependents must enroll in an LADWP-sponsored or IBEW Local 18-sponsored health and/or dental plan within 60 days after your death. **If they do not enroll within this time frame, they will lose eligibility for surviving dependent coverage, and will not be eligible to enroll at a later date.**

Important points to consider about surviving dependent coverage:

- ▶ The retiree premium rates are used to determine the health premiums for surviving dependents.
- ▶ While surviving dependents can enroll in dental coverage, they will pay the full cost of coverage.

When Coverage Ends for Your Eligible Dependents

This chart shows when coverage ends for your eligible dependents. It also outlines the documentation that you must provide to either the appropriate plan administrator (LADWP Health Plans Administration Office or IBEW Local 18 Benefit Service Center).

If You Cover Your...	Reasons to End Dependent Coverage	How To End Dependent Coverage	What Happens if You Fail to Notify Health Plan Providers
Spouse	Your divorce is final	Complete an enrollment/change form and provide proof of the divorce before the first of the month after divorce is final.	You will be billed for any services incurred by your former spouse; COBRA rights for your former spouse will be forfeited.
Registered and or nonregistered domestic partner	You end your domestic partnership	Provide a completed Termination of Domestic Partnership form and enrollment/change form before the first of the month after dissolution of the partnership.	You will be billed for any services incurred by your former domestic partner and continue to pay income tax on the health and dental plans.
Children	At the end of the month the child reaches age 26	Coverage is automatically terminated.	
Dependent grandchildren	The grandchild's parent is no longer eligible	Coverage is automatically terminated.	
Surviving children under family death benefit	The child reaches 18	Coverage is automatically terminated.	

Important: When coverage for your spouse, children, grandchildren or surviving children ends, they will be eligible to elect continuation coverage under COBRA, unless they have forfeited their COBRA rights. For more details about COBRA, see **pages 46-49**.

Paying for Coverage

Health and Dental Plan Subsidy

LADWP subsidizes the cost of health and dental coverage for most eligible employees. If the subsidy you receive is not enough to cover your entire premium, you make up the difference with your contribution, usually paid through automatic deduction from your pay. Be sure to review your paycheck stub to verify all information and deductions are correct. If you notice any incorrect information on your paycheck stubs, contact the LADWP Health Plans Administration Office immediately.

If you are disabled, your contributions are withheld from your disability check. But if you are receiving monthly Workers' Compensation benefits, your contributions cannot be withheld; you will be billed for your contributions.

If you are not eligible for a subsidy, you will be billed monthly by the LADWP Health Plans Administration Office or IBEW Local 18 Benefit Service Center. If you do not pay your health and dental premiums in a timely manner, you will lose your health and/or dental coverage. You may re-enroll into benefits within 31 days of returning to work. Coverage would be effective first of the month after re-enrollment has been completed pending approval from Local 18 (for enrollment in Local 18-sponsored plans).

Health Plan Subsidy

You are eligible to receive a monthly subsidy from LADWP if you meet certain requirements. The subsidy can only be used for LADWP-sponsored or IBEW Local 18-sponsored health and dental plans; the subsidy cannot be used for private insurance plans or plans of outside organizations unless specified in the applicable Memorandum of Understanding (MOU).

If you are eligible, you will receive LADWP's subsidy toward the cost of your health and dental plans beginning on the first of the month following membership in the Water and Power Employees' Retirement Plan.

You are eligible for a health plan subsidy if you are:

- ▶ A full-time or part-time employee receiving a salary and a member of the Water and Power Employees' Retirement Plan.

Please Note: Preauthorization may be required **by the UnitedHealthcare PPO Plan** for certain types of care. If you use an out-of-network provider, you will be responsible for amounts exceeding eligible health expenses, and you may be required to file claims for your expenses. For out-of-network benefits, you must obtain prior authorization five business days before receiving services or as soon as is reasonable possible. If you do not obtain prior authorization as required, you will incur a penalty of \$1,000 per visit.

- ▶ Military Leave

Type of Leave	Continue Receiving LADWP Subsidy?	What Happens	What You Must Do
Leave without pay	Depends on your status	If you’re not eligible for the subsidy, the appropriate administration office (LADWP Health Plans Administration Office or IBEW Local 18 Benefit Service Center) will bill you for the entire premium	Pay the full amount of your health and dental care premiums
Disability Leave ¹	No, if you are not receiving a paycheck		
Workers’ Compensation Leave ¹	Depends on your Workers’ Comp status		
Family Care Leave	Yes	LADWP continues to pay your subsidy, and any portion you pay will continue to be deducted from your paycheck	
Additional four weeks of Bonding Leave ²	No, not for the additional four-week period, unless you received compensation during the calendar month	You pay the full amount of your health and dental care premiums	
Pregnancy Disability Leave	Yes	LADWP continues to pay your subsidy, and any portion you pay will continue to be deducted from your paycheck	
Military Leave	Yes	LADWP continues to pay your subsidy	Be on approved Military Leave

¹ You are eligible for a subsidy as long as you continue to receive a disability or Workers’ Compensation check. The employee is responsible for paying premiums in excess of the subsidy while on a disability or Worker’s Compensation leave.

² Applies only under some LADWP MOUs (only for the birth or placement of a child). Refer to the MOU for details.

Family Care Leave of Absence

Federal and state laws allow eligible employees to take up to 12 weeks of unpaid Family Care Leave during any 12-month period. Qualifying reasons include a serious health condition of the employee, employee's child (including adult child and child of a domestic partner), spouse, domestic partner, parent, grandparent, grandchild, sibling, or the birth/ placement for adoption of a child. Your LADWP subsidy continues during the 12-week period.

Additional Four Weeks of Bonding Leave

You may take an additional four weeks of leave under certain LADWP MOUs, but during that time you are not eligible for a subsidy if you are not being compensated during the calendar month.

If you take the extended four-week Bonding leave and do not qualify for the subsidy, and your spouse or domestic partner is an eligible LADWP employee, you may apply to be covered by your spouse or domestic partner's health and/or dental plan. Your spouse or domestic partner must complete an enrollment/change form to add you as a dependent within 31 days from the date your extended four-week period begins. At the same time, you must complete a health or dental plan termination form.

Coverage as a dependent of a LADWP spouse/domestic partner must remain in effect until the next annual Open Enrollment period. At that time, the dependent spouse/domestic partner must re-enroll as a subscriber in a health or dental plan. This is the only instance where an active employee can be covered on another active employee's health or dental plan. For more information on making changes to your health and dental coverage, see **page 10**.

When You Must Repay Your Subsidies

If you are not covered by a Family Care Leave of Absence/Pregnancy Disability Leave and are not being compensated during the calendar month, you do not qualify for a subsidy. The appropriate administration office (LADWP Health Plans Administration Office or IBEW Local 18 Benefit Service Center) will bill for the entire premium. The billing notice will be for the unsubsidized period (prior month).

If you do not return to work after your Family Care Leave of Absence, you must repay the subsidies advanced by LADWP, unless your failure to return is caused by the unexpected continuation of a serious health condition (as defined by federal legislation), or other circumstances beyond your control.

For information on how a Family Care Leave of Absence affects your health and/or dental plan, please refer to Administrative Manual Volume 2, 60-11.

For More Information on Family Care Leaves

For additional information regarding Family Care Leaves of Absence, contact your Division coordinator or Family Care at **(213) 367-8770**.

You are responsible to make sure that health and/or dental premiums are paid when you are on any kind of leave of absence. Payments not received could result in termination of health or dental coverage.

Special Situations

If you are terminated from LADWP as a result of a discharge, and a reverse decision is made on your termination, you must notify the appropriate plan administrator (LADWP Health Plans Administration Office or IBEW Local 18 Benefit Service Center) to reinstate your insurance coverage.

If your employment transfers to the City, please contact the LADWP Health Plans Administration Office or IBEW Local 18 Benefit Service Center to find out when your coverage will end. If you transfer to another City of Los Angeles Department, you need to contact the City's Benefits Office at **(213) 978-1655** to enroll in a City health or dental plan.

Continuing Coverage with COBRA

The following notice applies to all participants covered under a group health plan maintained by LADWP or IBEW Local 18. This notice generally explains group health insurance continuation coverage, when it may become available and what you need to do to protect your right to receive it. It is important that all covered individuals take the time to read this notice carefully and be familiar with its contents. Please note that the Employee Assistance Program (EAP) will remain available to COBRA program participant(s) if elected and paid for.

Consolidated Omnibus Budget Reconciliation Act (COBRA)

Health and/or dental coverage ends on the last day of the month in which your employment with LADWP ends. You may be able to extend your health and/or dental coverage with COBRA as outlined below.

As initially enacted in 1985 under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), employers are required to provide employees and their covered dependents the opportunity to elect continued group health coverage upon the occurrence of certain “qualifying events.” Under this federal law, LADWP is required to offer this opportunity for a temporary extension of health coverage, called “continuation coverage,” at group rates. This coverage, however, is only available when coverage is lost due to certain qualifying events. Should an actual qualifying event occur in the future, the plan administrator will send you additional information and the appropriate election notice at that time.

Qualifying Events for Covered Employees

- ▶ Termination of employment (for reasons other than gross misconduct on the employee’s part)
- ▶ Reduction in hours of employment

Qualifying Events for Covered Spouses

- ▶ A termination of your spouse’s employment for any reason other than gross misconduct or reduction in your spouse’s hours of employment
- ▶ Death of a covered employee
- ▶ Divorce from a covered employee or, if applicable, legal separation from the covered employee
- ▶ Your spouse becomes enrolled in Medicare benefits (Part A, Part B or both)

Qualifying Events for Covered Children

- ▶ A termination of the parent-employee’s employment for any reason other than gross misconduct or reduction in the parent-employee’s hours of employment
- ▶ The death of the parent-employee
- ▶ Parent’s divorce or, if applicable, legal separation
- ▶ The parent-employee becomes enrolled in Medicare benefits (Part A, Part B or both)
- ▶ Covered dependent ceases to be an eligible child under the terms of the LADWP group health plan

Qualifying Events Defined Under COBRA

A COBRA qualifying event occurs when an event listed in the COBRA statute occurs, and the event causes a covered employee, a covered spouse or a covered dependent to lose health insurance under an employer’s group health plan. To lose health insurance means the individual ceases to be covered under the same terms and conditions they were covered under before the event happened.

If a Death Occurs During COBRA

If a death of a subscriber occurs under the COBRA continuation and there are dependents being covered under the plans, the appropriate plan administrator (LADWP Health Plans Administration Office or IBEW Local 18 Benefit Service Center), must be notified immediately of the death by the surviving dependents. The surviving dependents will be advised on how to continue the plan(s).

Important Notification Requirements Under COBRA

Under COBRA, a covered employee, a covered spouse or other covered family member has the responsibility to notify the appropriate plan administrator (LADWP Health Plans Administration Office or IBEW Local 18 Benefit Service Center) of any qualifying event, including death, divorce, legal separation, or when a dependent ceases to be a dependent under the LADWP or IBEW Local 18-sponsored plans. This notification must be made within 60 days from the date of such event.

If this notification is not completed within the 60-day notification period, the right to continuation coverage is forfeited.

Eligibility Under COBRA

You, your spouse, your children and your grandchildren of your covered children are eligible for COBRA continuation if you and your dependents were covered under the plan on the day before the qualifying event. Once the election to continue coverage has been made, additional dependents may be added following the same guidelines specified under “HIPAA Special Enrollment Rights” on **page 54** of this guide. You, your spouse and your dependents have independent election rights and must make an election for continuation coverage to become effective. If you have a covered dependent whose legal residence is different from yours, you must provide written notification to the LADWP Health Plans Administration Office or IBEW Local 18 Benefit Service Center so that a notice can be sent to them as well. Should you add more children in the future, notice to the covered employee and spouse at that time will be deemed notification to the newly covered dependent.

Domestic Partners Are Not Eligible for COBRA

While LADWP-sponsored and IBEW Local 18-sponsored group health plans allow domestic partners to be covered, if a domestic partner loses group health insurance as a result of one of the listed qualifying events under the COBRA statute, the domestic partner will not be offered the opportunity to continue the group health insurance. This is because COBRA is regulated under federal law. Under federal rules, the term “spouse” does not include domestic partners.

Election Period and Coverage

Once the appropriate plan administrator (LADWP Health Plan Administration Office or IBEW Local 18 Benefit

Service Center) has been notified of a qualifying event, the formerly covered individual(s), also known as “qualified beneficiaries,” are notified of their rights to elect continuation coverage. Each qualified beneficiary has independent election rights and will have 60 days to elect continuation coverage. The 60-day election window is measured from the date of notification. This is the maximum period allowed to elect continuation coverage, as the plan does not provide an extension of the election period beyond what is required by law.

If a qualified beneficiary does not elect continuation coverage within the 60-day election period, then rights to continue health insurance will end, forfeiting any rights and protections that were afforded to the participant under the COBRA law. Once a qualified beneficiary elects continuation coverage, he or she has up to 45 days to pay the first premium. You may not have a lapse in coverage. Premiums will be due back to your original termination date.

The length of continuation coverage is:

- ▶ 18 months for formerly covered employees
- ▶ 36 months for formerly covered spouses and/or children for events other than the employee's termination of employment or reduction in hours.

California COBRA AB 1401

California COBRA AB 1401 (effective September 1, 2003) stipulates that an employer shall offer an insured who has exhausted continuation coverage under COBRA the opportunity to continue coverage for up to 36 months from the date the insured's continuation coverage begins if the insured is entitled to less than 36 months of continuation coverage under COBRA.

Continuation Coverage from 18 Months to 29 Months

Two situations will extend continuation coverage beyond the coverage date if applicable. The 18 months of continuation coverage will be extended for an additional 11 months of coverage, to a maximum of 29 months, for all qualified beneficiaries provided that the:

- ▶ Social Security Administration determines a qualified beneficiary was disabled according to Title II or XVI of the Social Security Act as of the date of the qualifying event or at any time during the first 60 days of continuation coverage. It is the qualified beneficiary's responsibility to obtain the disability determination from the Social Security Administration and provide a copy of the Social Security Disability determination to the LADWP Health Plans Administration Office or IBEW Local 18 Benefit Service Center (for Anthem Blue Cross plans) within 60 days of the date of determination and before the original 18 months of continuation coverage expires; or
- ▶ Secondary event takes place (divorce, legal separation, death, Medicare entitlement or a dependent ceasing to be a dependent). If a secondary event occurs, then the original 18 or 29 months of continuation coverage will be extended to 36 months from the date of the original qualifying event date for dependent qualified beneficiaries. If a secondary event occurs, it is the qualified beneficiary's responsibility to notify the LADWP Health Plans Administration Office or IBEW Local 18 Benefit Service Center in writing within 60 days from the secondary event, and within the original 18-month continuation coverage timeline. In no event, however, will continuation coverage last beyond three years from the date of the event that originally made the qualified beneficiary eligible for continuation coverage.

Monthly Premiums Under COBRA

Group health coverage for COBRA participants is usually more expensive than health coverage for employees, since a COBRA participant is required to pay the entire cost for health insurance plus a 2% administration fee for regular federal COBRA, but that goes up to 10% for California COBRA. Premiums may be increased if the costs to the plan increase but generally must be fixed in advance of each 12-month premium cycle. The initial premium payment must be paid within 45 days of the election. You may not have a lapse in coverage. Premiums will be due back to your original termination date.

Premiums for successive periods of coverage are due on the first of each month, but a qualified beneficiary has a 30-day grace period to pay the monthly premium, and the envelope must be postmarked within or by the end of the grace period. The 30-day grace period is measured after the due date (first of the month). If the monthly premium is not paid by the due date or within the 30-day grace period, the continuation coverage elected is cancelled. Monthly premiums could be adjusted during the continuation period if the applicable premium amounts change.

Medicare Entitlement Under COBRA

If an individual is on continuation coverage and becomes entitled to Medicare after the date of COBRA election, the COBRA coverage can be terminated. However, as clarified under the final COBRA regulations, if an individual has been entitled to Medicare and becomes eligible for COBRA continuation, the individual is allowed to have both. For more information on HIPAA Special Enrollment Rights, see **page 54**.

Cancellation of Continuation Coverage Under COBRA

Continuation coverage will terminate prior to the expiration of the continuation period (18 or 36 months) for any of the following reasons:

- ▶ LADWP ceases to provide any group health plan to any of its employees;
- ▶ Any required monthly premium for continuation coverage is not paid in a timely manner. Monthly premiums are due on the first day of each month. In addition, qualified beneficiaries have a maximum 30-day grace period after the due date in which to pay these monthly premiums;
- ▶ A qualified beneficiary notifies the LADWP Health Plans Administration Office to cancel continuation coverage and request a cancellation form;
- ▶ A qualified beneficiary, after the date of election, becomes entitled to Medicare;
- ▶ A qualified beneficiary extended continuation coverage to 29 months due to a Social Security disability, and a final determination has been made that the qualified beneficiary is no longer disabled;
- ▶ For cause, on the same basis that the plan terminates the coverage of similarly situated non-COBRA participants;
- ▶ A qualified beneficiary enrolls in another group health plan.

Conversion After COBRA

Some health and dental plan providers offer the opportunity to convert to an individual plan (versus group coverage through LADWP) following cancellation of COBRA coverage.

Plan providers that offer conversion to individual coverage:

- ▶ Kaiser HMO
- ▶ UnitedHealthcare HMO
- ▶ Health Plan of Nevada HMO
- ▶ IBEW Local 18-sponsored Anthem Blue Cross health plans

Plan providers that do not offer conversion to individual coverage:

- ▶ Delta Dental
- ▶ United Concordia
- ▶ IBEW Local 18-sponsored Guardian Dental plans

However, members can contact Delta Dental, United Concordia or IBEW Local 18-sponsored Guardian Dental plans after COBRA is exhausted and request an individual plan. For more information, please contact member services for your health or dental provider.

This section is a summary of the COBRA federal and state regulations. For detailed exceptions, conditions and exclusions, please contact the appropriate administration office:

Medicare Information for Employees

Medicare Information for Employees

If you are an employee (or a spouse of an employee) age 65 or over and have elected to have an LADWP-sponsored or IBEW Local 18-sponsored health plan as your primary coverage over Medicare, you (or your spouse) are not required to enroll in Medicare Part B until you retire. If you plan to retire, contact your local Social Security Administration office to enroll in Medicare Part B three months before your retirement date.

If you are enrolled under both Medicare and an LADWP-sponsored or IBEW Local 18-sponsored health plan, the LADWP-sponsored or IBEW Local 18-sponsored health plan will pay primary to Medicare so long as you are an active employee, unless you are eligible for Medicare due to End Stage Renal Disease (ESRD), in which case Medicare may pay primary after 30 months of enrollment in Medicare, depending on Medicare eligibility for the 30-month coordination period.

For information regarding Medicare, including the impact of enrolling in Medicare Part B and how to make plan changes, call the LADWP Health Plans Administration Office at **(800) 831-4778**. For IBEW Local 18-sponsored Anthem Blue Cross plans, please call the IBEW Local 18 Benefit Service Center weekdays at **(818) 678-0040** or **(800) 842-6635** between the hours of 8:30 a.m. and 12:00 p.m. and 12:45 p.m. and 5:00 p.m.

Disabled Employees and Disabled Spouses of Employees Under Age 65

If you are a disabled active employee or a disabled spouse of an active employee under age 65, you may enroll in Medicare and enroll in a LADWP-sponsored or IBEW Local 18-sponsored health plan. The LADWP-sponsored or IBEW Local 18-sponsored health plan will pay primary to Medicare so long as you are considered a disabled active employee or a disabled spouse of an active employee. You may change your enrollment in a LADWP-sponsored or IBEW Local 18-sponsored health plan during the Open Enrollment period.

Verification Process

As you may be aware, the Secretary of the Department of Health and Human Services has directed that all organizations comply with the mandatory insurer law (Public Law 110-173; Section 111) regarding the requirement that our health plan must report information that the Secretary requires for purposes of coordination of benefits between your health plan and Medicare. In order for Medicare to properly coordinate Medicare payments with other insurance and/or workers' compensation benefits, Medicare relies on our health plan to collect the Medicare Health Insurance Claim Number

(HICN) or Social Security number (SSN) from you and your family members and provide them to Medicare.

As such, if this information is not already on file with the LADWP Health Plans Administration Office and IBEW Local 18 Benefit Service Center, if applicable, Medicare HICNs and SSNs will likely be requested in order to meet the requirements of this law. Unfortunately, if you or your family member is a Medicare beneficiary and you do not provide the requested information, the affected member may be violating obligations to assist Medicare in coordinating benefits. Please assist us by providing this information, if requested.

Please keep in mind that while LADWP continues its efforts to verify eligibility of your dependent(s), we do need to utilize your SSN for the process. As required under the Health Insurance Portability and Accountability Act of 1996 (HIPAA), we understand and handle employee information according to those requirements, which is included as part of the LADWP HIPAA Policies and Procedures, Group Health Plan Amendments.

Medicare Creditable Coverage Notice

Important Notice for Medicare-Eligible Employees from LADWP About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice contains important information about your current prescription drug coverage through your LADWP-sponsored or IBEW Local 18-sponsored health plan and about your options for enrolling in an individual Medicare prescription drug plan. If you are enrolled in an LADWP-sponsored health plan, your current prescription drug coverage is an enhanced Medicare Part D Prescription Drug Plan. If you are enrolled in an IBEW Local 18-sponsored health plan, your current prescription drug coverage is not an enhanced Medicare Part D Prescription Drug Plan, but it is "creditable coverage."

There are two important things you need to know about your current prescription drug coverage through LADWP or IBEW Local 18 and the individual Medicare prescription drug coverage:

- ▶ Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join an individual Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

- ▶ If you're enrolled in an LADWP-sponsored health plan, your prescription drug coverage is an enhanced Medicare Part D Prescription Drug Plan. LADWP has determined that the prescription drug coverage offered by the LADWP and IBEW Local 18-sponsored health plans, on average for all plan participants, is expected to pay out as much as individual Medicare prescription drug coverage pays and is, therefore, considered "creditable coverage."

You are required to enroll in a Medicare Part D Prescription Drug Plan when you first become eligible for Medicare (or face higher premiums if and when you eventually enroll in an individual Medicare Part D plan) unless you are already enrolled in a plan that provides you with creditable coverage. Because your existing coverage through an LADWP-sponsored or IBEW Local 18-sponsored health plan is creditable coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to drop this coverage and join an individual Medicare drug plan.

When Can You Join an Individual Medicare Drug Plan?

You can join an individual Medicare drug plan when you first become eligible for Medicare, and each year from October 15 through December 7. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two-month Special Enrollment Period (SEP) to join an individual Medicare drug plan.

What Happens to Your Current Coverage if You Decide to Join an Individual Medicare Drug Plan?

You should not enroll in an Individual Medicare Prescription Drug Plan on your own. If you do, you will lose your LADWP-sponsored prescription drug and medical coverage, and you will lose your LADWP subsidy.

When Will You Pay a Higher Premium (Penalty) to Join an Individual Medicare Drug Plan?

You should also know that if you drop or lose your current prescription drug coverage under the LADWP-sponsored or IBEW Local 18-sponsored plans and do not join an individual Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join an individual Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go 19 months without creditable coverage, your premium may consistently be at

least 19% higher than the individual Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have individual Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For further details about this notice or your current prescription drug coverage, contact the LADWP Health Plans Administration Office.

Note: You will get this notice each year. You will also get it before the next period you can join an individual Medicare drug plan, and if coverage through LADWP changes. You also may request a copy of this notice at any time.

For details about your options under individual Medicare Prescription Drug Coverage:

More detailed information about individual Medicare plans that offer prescription drug coverage is in the *Medicare & You* handbook. You will get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

Remember: Keep This Creditable Coverage Notice

If you decide to join one of the individual Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you're required to pay a higher premium (a penalty).

Federal laws require that LADWP provide you with certain notices that inform you about your rights regarding eligibility, enrollment and coverage of health care plans. The following sections explain these rules; please read them carefully and keep them where you can find them.

Health Care Reform

The Affordable Care Act (ACA), also known as the health care reform law, was signed into law in 2010. While the law was created to expand access to health care coverage, control health care costs and improve health care quality and coordination, it also impacts employer-sponsored health plans. In the past, you've seen certain changes to your benefits. Examples include coverage for breastfeeding support and allowing adult children up to age 26 to enroll in LADWP-sponsored and IBEW Local 18-sponsored health plans.

The Health Insurance Marketplace

You've probably heard about the Health Insurance Marketplace or "exchange." In California, it's called Covered California™. You may choose a Marketplace plan instead of enrolling in an LADWP or IBEW Local 18-sponsored health plan. In addition, because you would be paying for this coverage directly, you would not be able to pay for it on a pre-tax basis.

Note: If you choose to enroll in a Marketplace plan, and then drop that coverage, you will NOT be allowed to enroll in an LADWP or IBEW Local 18-sponsored health plan until the next Open Enrollment period, unless you experience a qualifying event — for example, having a baby or getting married.

Caution:

If you do choose a Marketplace plan, LADWP will not pay any part of your premiums — and, because LADWP-sponsored and IBEW Local 18-sponsored health plans meet the ACA coverage and affordability requirements, you likely will not qualify for tax credits or subsidies to help you pay for Marketplace plan premiums, even if you fall within the income levels to receive government support.

Notice of Grandfathered Status

The Los Angeles Department of Water and Power (LADWP) believes all LADWP-sponsored health plans, except the UnitedHealthcare PPO Plans and IBEW Local 18-sponsored health plans for LADWP employees, are "grandfathered health plans" under the Affordable Care Act (ACA). As permitted by the ACA, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. As health plans that are grandfathered, LADWP-sponsored health plans may not include certain consumer protections of the ACA that apply to non-grandfathered plans — for example, certain provisions affecting benefits for emergency services. However, grandfathered health plans must comply with certain other consumer protections in the ACA — for example, the elimination of lifetime limits on benefits. Questions regarding which protections apply and which protections do not apply to a grandfathered health plan, and what might cause a plan to change from grandfathered health plan status, can be directed to the plan administrator.

You may also contact the Employee Benefits Security Administration, U.S. Department of Labor at **(866) 444-3272** or **www.dol.gov/ebsa/healthreform**. This website has a table summarizing which protections do and do not apply to grandfathered health plans.

HIPAA Special Enrollment Rights

If you decline enrollment for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in an LADWP or IBEW Local 18-sponsored health plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your — or your dependents' — other coverage). You must request enrollment within

31 days after your — or your dependents' — other coverage ends (or after the employer stops contributing toward the other coverage). The plan will also allow a special enrollment opportunity if you or your eligible dependents either:

- ▶ Lose Medicaid or Children's Health Insurance Program (CHIP) coverage because you are no longer eligible, or
- ▶ Become eligible for a state's premium assistance program under Medicaid or CHIP.
- ▶ For these enrollment opportunities, you will have 60 days — instead of 30 — from the date of the Medicaid/CHIP eligibility change to request enrollment in the plan. Note that this new 60-day extension does not apply to enrollment opportunities other than the Medicaid/CHIP eligibility change.
- ▶ Also, if you have a new dependent as a result of marriage, birth, adoption or placement for adoption, you may be able to enroll yourself and your dependents in an LADWP or IBEW Local 18-sponsored plan. You must request enrollment within 31 days after the marriage, birth, adoption or placement for adoption.

To request special enrollment or to learn more, contact the appropriate plan administration office (LADWP Health Plans Administration Office or IBEW Local 18 Benefit Service Center).

Women's Health and Cancer Rights Act of 1998

If you have had or are going to have a mastectomy, you may be entitled to certain benefits under the Women's Health and Cancer Rights Act of 1998 (WHCRA). For individuals receiving mastectomy-related benefits, coverage will be provided in a manner determined in consultation with the attending physician and the patient, for:

- ▶ All stages of reconstruction of the breast on which the mastectomy was performed;
- ▶ Surgery and reconstruction of the other breast to produce a symmetrical appearance;
- ▶ Prostheses; and
- ▶ Treatment of physical complications of the mastectomy, including lymphedema.

These benefits will be provided subject to the same deductibles and coinsurance applicable to other health and surgical benefits provided under this plan. If you would like more information on WHCRA benefits, call your plan administrator.

Newborns' and Mothers' Health Protection Act

Group health plans and health insurance issuers generally may not, under federal law, restrict benefits for any hospital length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a cesarean section. However, federal law generally does not prohibit the mother's or newborn's attending provider, after consulting with the mother, from discharging the mother or her newborn earlier than 48 hours (or 96 hours as applicable). In any case, plans and issuers may not, under federal law, require that a provider obtain authorization from the plan or the issuer for prescribing a length of stay not in excess of 48 hours (or 96 hours).

Medicaid and the Children’s Health Insurance Program (CHIP) Offer Free or Low-Cost Health Coverage to Children and Families

If you are eligible for health coverage from your employer but are unable to afford the premiums, some states have premium assistance programs that can help pay for coverage. These states use funds from their Medicaid or CHIP programs to help people who are eligible for employer-sponsored health coverage but need assistance in paying their health premiums.

If you or your dependents are already enrolled in Medicaid or CHIP, you can contact your state Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your state Medicaid or CHIP office at **(877) KIDS NOW** or **www.insurekidsnow.gov** to find out how to apply. If you qualify, you can ask the state if it has a program that might help you pay the premiums for an employer-sponsored plan.

Once it is determined that you or your dependents are eligible for premium assistance under Medicaid or CHIP, your employer’s health plan is required to permit you and your dependents to enroll in the plan — as long as you and your dependents are eligible but not already enrolled in the employer’s plan. This is called a “special enrollment” opportunity, and you must request coverage within 60 days of being determined eligible for premium assistance.

If you live in California, you may be eligible for assistance to pay your employer health plan premiums. You should contact the state for further information on eligibility.

If you live in a state other than California, you may be eligible for assistance to pay your employer health plan premiums. Contact the Department of Labor at **www.dol.gov/ebsa/pdf/chipmodelnotice.pdf** to view the complete state eligibility information.

Improper Use of Benefits

Employees who receive benefits for themselves or their ineligible dependents from an LADWP-sponsored or IBEW Local 18-sponsored health or dental plan based on a false, deceptive or otherwise improper act may have their health or dental plan cancelled and may be considered ineligible for enrollment in LADWP-sponsored or IBEW Local 18-sponsored health and dental plans. Employees may also be subject to disciplinary action. In addition, employees will be billed for any LADWP subsidy paid for ineligible dependents.

Where to File Complaints — Department of Managed Health Care

The LADWP-sponsored and IBEW Local 18-sponsored health and dental plans are licensed under a California law known as the Keene Care Service Plan Act of 1975, which is administered by the Department of Managed Health Care (DMHC). If you wish to file a complaint against your health or dental plan with the DMHC, you may do so only after you have contacted your health or dental plan member service and used the plan's grievance process. However, you may immediately file a complaint with the DMHC if the health or dental plan has not satisfactorily resolved your grievance within 30 days from filing a formal complaint with the health or dental plan. The DMHC toll-free telephone number is **(800) 400-0815**; the DMHC website is **www.dmhc.ca.gov**.

Verify Coverage

Every employee should verify his or her LADWP-sponsored or IBEW Local 18-sponsored health and dental plan coverage each month by checking his or her "Statement of Earnings, Allowances and Deduction" (paycheck stub). Errors and omissions should be reported to the LADWP Health Plans Administration Office or IBEW Local 18 Benefit Service Center immediately.

Not notifying the LADWP Health Plans Administration Office or IBEW Local 18 Benefit Service Center immediately could cause you to have to wait for the next Open Enrollment period before you can make any changes to your benefit elections.
