### Online Carrier Informational Sessions

Online informational sessions have been scheduled during Open Enrollment with each carrier so that you may obtain more information about the health plan that you are interested in and to ask questions. Please visit <https://ebenefits.ladwp.com/Home/RetireesBenInfo> to view the schedule and to obtain the weblink and/or dial-in phone number.

# Preparing for Enrollment or Enrollment Changes

- **Update your personal information:** Make sure your address and other personal information is updated. If your address has changed, please notify the LADWP Health Plans Administration Office as soon as possible.

**Note:** Retirees enrolled in an IBEW Local 18-sponsored health or dental plan should contact the IBEW Local 18 Benefit Service Center at **(800) 842-6635**, or update their address online at **[www.mybenefitchoices.com/local18](http://www.mybenefitchoices.com/local18)**.

- **Review your dependents:** Take a look at your current dependent coverage to ensure accuracy and to verify they still meet the eligibility criteria.

You must update your dependents (such as a new spouse, domestic partner or a new child) within **31 days** from a qualifying event, or you will not be able to add them until the next Open Enrollment period in 2023. See **page 16** for details.

- **Gather all of your documents:** You will be required to provide copies of dependent documentation (birth, marriage, domestic partnership). See **pages 18-20**.

**Plan to keep proof of enrollment:** Print or keep a copy of your form as proof of enrollment. Enrolling in and/or changing your benefits cannot be done verbally.

- ▶ For LADWP-sponsored plans, you can enroll by mail. See **page 8** for details.
- ▶ For IBEW Local 18-sponsored plans, you can enroll online. See **page 8** for details.

- **If you do not need to make any changes to your current health and/or dental plans, you do not need to do anything. Your current coverage choices will continue automatically. However, please review this guide for any benefit coverage changes.**

**Note:** Please review the subsidy and premium rate changes for the 2022-2023 Plan Year.

## Important

You must remove dependents from your coverage if they no longer qualify as “eligible dependents.” See **pages 16-21**.

## Eligibility

### You are eligible for the LADWP-sponsored and/or IBEW Local 18-sponsored retiree plans if you:

- ▶ Are a LADWP retiree who is eligible to receive a minimum pension from the Water and Power Employees' Retirement Plan, and/or
- ▶ Were an employee of LADWP immediately prior to your retirement and you're receiving a monthly retirement allowance under the LADWP retirement plan.

**Note:** For IBEW Local 18-sponsored health and dental plans, you must be enrolled prior to retirement to participate.

If, as a retiree, you cancelled your IBEW Local 18-sponsored health and/or dental plan, you are now able to re-enroll in Local 18 plans during Open Enrollment.

### What Applies To Me?

Employees who were hired prior to January 1, 2014 are considered "Tier 1" retirees. If you were hired by LADWP prior to January 1, 2014, all of the information in this guide, including subsidies, applies to you.

Employees who were hired on or after January 1, 2014 are considered "Tier 2" retirees. If you were hired by LADWP on or after January 1, 2014, the plan design information in this guide applies to you. However, your subsidies are different. If you are a Tier 2 retiree, the maximum subsidy you are eligible to receive for retiree health care benefits is at the self-only rate (Kaiser under age 65). For more information, please contact the LADWP Health Plans Administration Office at **(213) 367-2023** or **(800) 831-4778**.

For eligibility details about covering your eligible dependents (children, spouse or domestic partner), see **pages 16-21**.

# Enrolling in Coverage

During Open Enrollment, you will have the opportunity to review your benefits and make any needed changes. You do not have to take action if you wish to maintain your current benefits, eligible dependents and coverage levels.

Any changes made during Open Enrollment are effective July 1, 2022 for the 2022-2023 Plan Year. The Plan Year is July 1, 2022 to June 30, 2023, however, the health and dental plans are calendar-year-based, meaning benefits that have a specified number of visits per year, or amounts you pay for deductibles, coinsurance or co-payments and when you reach your annual out-of-pocket maximum, are all counted or accumulated on a calendar-year basis.

## Coverage for a New Retiree

Coverage for a new retiree is effective one month after your retirement date (e.g., if you retire on August 1, 2022, your active coverage ends on August 31, 2022 and your retiree coverage begins on September 1, 2022).

# 8 How to Enroll

## LADWP-Sponsored Plans

To enroll in a LADWP-sponsored plan, you can call the Health Plans Office or download your enrollment/change form. Once your form is completed, submit it and the supporting documentation to:

### LADWP Health Plans Administration Office

111 North Hope Street, Room 564  
Los Angeles, CA 90012

- ▶ You can download enrollment forms from the eBenefits website at <https://eBenefits.ladwp.com>.

## IBEW Local 18-Sponsored Plans

Retirees must be enrolled in Anthem Blue Cross or Guardian Dental prior to retirement to participate in the plan.

To enroll, view current enrollment, make changes or cancel benefits, go to [www.mybenefitchoices.com/local18](http://www.mybenefitchoices.com/local18) and register (if you have not done so already) and complete the enrollment wizard. Once finished, you will receive an email with a benefit summary to review. Please review the summary to ensure it displays 100% complete and that your selections and dependent(s) information is correct. Social Security number, birth and marriage certificates and all pending document are required to complete your enrollment.

If you need more information, call the IBEW Local 18 Benefit Service Center at **(800) 842-6635** weekdays from 8:30 a.m. – 12:00 p.m. and from 12:45 p.m. – 5:00 p.m.

## Reviewing Your IBEW Local 18-Sponsored Plan Choices

A copy of your benefit summary will be emailed to you once you've completed your enrollment. Please check your summary carefully, this is your confirmation statement.

- ▶ Coverage level — did you elect individual or family coverage?
- ▶ Dependents — do you have the correct name and Social Security number listed for each dependent you want to cover? If you added a new dependent, did you submit the verification of eligibility information listed on **pages 18-20**?
- ▶ Your contributions — does your paycheck stub accurately reflect your benefit choices?

**See pages 16-21 for details about which dependents you may enroll and when their coverage begins and ends.**

### Which Dependents Can You Cover?

- ▶ Your spouse or domestic partner
- ▶ Your children under age 26 — includes stepchildren and children of whom you are their legal guardian
- ▶ Your disabled children age 26 or older (must have been deemed disabled prior to turning age 26)
- ▶ Your grandchildren who are the children of your covered children

Special rules and definitions apply to all dependents. It is your responsibility to remove dependents from coverage if they no longer qualify as “eligible dependents.” See dependent eligibility details on **pages 16-21**.

## Turning Age 65

### Additional Enrollment Details

**If you will be turning 65 within three months, you must enroll in Medicare and provide proof of coverage. See pages 63-72** for Medicare details.

- ▶ **LADWP-sponsored plan:** Before age 65, you and your eligible dependent(s) must enroll in **Medicare Part B** and provide proof of enrollment to avoid losing your LADWP-sponsored health plan.
- ▶ **IBEW Local 18-sponsored plan:** Before age 65, you and your eligible dependent(s) must enroll in **Medicare Parts A and B** and provide proof of enrollment to avoid losing your IBEW Local 18-sponsored health plan. Dependents are not required, by the plan, to have Medicare Parts A and B until the retiree is 65, **however**, any delay in Medicare enrollment for eligible members may be subject to penalties from Medicare. Additionally, if you are a Dependent over 65 and have not enrolled in Medicare Part B, Anthem Blue Cross will calculate and pay benefits, as your secondary plan, as if you had enrolled into Medicare as your primary plan. You should enroll in Medicare Part B as soon as possible to avoid potential liability. For more information on potential penalties, please call Medicare at **(800) 633-4227**.

### The Health Insurance Marketplace

You've probably heard about the Health Insurance Marketplace or "exchange." In California, it's called **Covered California™**. Some states, like California, run their own Marketplace, and some rely on the one run by the federal government. Each state is different, and you can link to your state's Marketplace by going to **www.HealthCare.gov**. If you are under age 65, you may choose a Marketplace plan instead of enrolling in an LADWP-sponsored or IBEW Local 18-sponsored health plan.

**Important notes:** If you decide to enroll in a health plan through the Marketplace, please be aware that:

- ▶ LADWP will not pay any part of your premiums.
- ▶ You will pay for this coverage directly.
  - You may qualify for tax credits and/or subsidies to help you pay the premiums of your Marketplace plan. However, because LADWP and IBEW Local 18-sponsored health plans meet ACA requirements, you likely will not be eligible for the credits and subsidies even if you fall within the income requirements.
- ▶ LADWP will not reimburse you for any payments made to the Marketplace for health insurance.
- ▶ If you drop Marketplace coverage, you will not be allowed to re-enroll in a LADWP-sponsored health plan until the next Open Enrollment period unless you have a qualifying event.

By age 65, you must be enrolled in these Medicare plans, and show proof of enrollment, to avoid losing your LADWP- or IBEW Local 18-sponsored health plan. If you are 65 or older and you or your spouse/domestic partner fail to enroll in or maintain your Medicare coverage, you may incur late enrollment penalties and/or lose your medical coverage. (Medicare Penalty). See **pages 63-72** for Medicare details.

**Note:** Retirees over the age of 65 cannot enroll through the Health Insurance Marketplace.

- ▶ **LADWP-sponsored health plan:** You must be enrolled in Medicare Part B.
- ▶ **IBEW Local 18-sponsored health plan:** You must be enrolled in Medicare Parts A and B.
  - For IBEW Local 18-sponsored Anthem Blue Cross Owens Valley: This plan is not available when you reach age 65.

# Your Coverage Options

## Health Plans

LADWP and IBEW Local 18 sponsor both health maintenance organization (HMO) plans and preferred provider organization (PPO) plans. Each plan offers you access to its own network of health care providers — hospitals, clinics and physicians — and administers the claims that you and other members submit for the care you receive.

*Which plan is right for you?* If you prefer to have your care coordinated through a single doctor, an HMO plan might be right for you. If you want greater flexibility or if you see a lot of specialists, a PPO plan might be a better option.

**You can compare coverage of the various plans in the comparison charts on pages 29-48 of this guide.**

## LADWP-Sponsored Plans

- ▶ Kaiser/Senior Advantage HMO
- ▶ UnitedHealthcare PPO Plan A
- ▶ UnitedHealthcare PPO Plan B
- ▶ UnitedHealthcare PPO Plan C
- ▶ UnitedHealthcare Medicare Advantage HMO California
- ▶ Health Plan of Nevada.  
Only available to retirees who are under age 65 or are over age 65 with Medicare Part B only and reside in Nevada.
- ▶ UnitedHealthcare Medicare Advantage HMO Nevada. Only available to retirees who reside in Nevada, who are age 65 or older with Medicare Parts A and B.
- ▶ UnitedHealthcare PPO Medicare Advantage Plans A, B, and C. Only available to retirees who are age 65 or older with Medicare Parts A and B, or Medicare Part B only.

## IBEW Local 18-Sponsored Plans\*

- ▶ Anthem Blue Cross HMO (retiree must live in CA)
- ▶ Anthem Blue Cross PPO Plan
- ▶ Anthem Blue Cross Prudent Buyer Plan (Owens Valley retirees only, under 65)

\*All services for Employee Assistance Program (EAP), behavioral health, and substance use disorders covered under the IBEW Local 18-sponsored plans are managed through Optum Behavioral Health.

### Understanding HMO Plans

HMOs cover only the care you receive from their provider networks, except for emergency care. If you want to use a specific provider for your care, be sure to verify that provider is in the HMO's network.

If you do not live in an HMO's California network area, you should not enroll in that HMO's plan. If your covered eligible dependents live outside of the HMO's California network area, they will have limited coverage, typically for emergencies only. IBEW Local 18-sponsored plans may have additional coverage if your eligible dependent is set up under Guest Membership.

You pay a **co-pay** (fixed dollar amount) when you receive care. Providers file claims for you, which helps eliminate paperwork.

### Understanding PPO Plans

PPOs cover care you receive from their provider networks (in-network care), but they also cover care you receive from other providers (non-network care). However, your benefits are paid at the highest level when you use a provider in your PPO network.

The PPOs have an **annual deductible** for most health care expenses. You are responsible for paying your eligible health care expenses until you reach your annual deductible.

After you meet the deductible, you pay a percentage of the covered expense; this is called a **coinsurance** amount. The PPO pays the remainder of your covered expenses.

If your coinsurance amounts reach your **annual maximum**, the PPO pays 100% of your covered expenses for the rest of the calendar year.

You may be responsible for paying a fixed **co-pay** for certain provider visits. In some instances, you may have to meet the deductible before you can just pay a co-pay for services you receive and in almost all instances, the co-pays do count towards the annual out-of-pocket maximums. Consult the plan Certificate or Evidence of Coverage (COC or EOC) for exact details.

**Note:** Preauthorization may be required for certain types of care. If you use an out-of-network provider, you will be responsible for amounts exceeding eligible medical expenses, and you may be required to file claims for expenses incurred.

## Prescription Drug Coverage

Benefits for prescription drugs are included with your health plan choice.

### How Your Prescription Coverage Works

Your prescription drug coverage varies based on the health plan in which you enroll. All plans offer you the convenience of filling your prescription at a retail pharmacy (or Kaiser-based pharmacy on the Kaiser HMO Plan) and ordering a longer-term supply through mail order, which can be useful if you take a maintenance medication.

Once you select a plan, you can learn more about your options for filling your prescriptions from the provider's website. Highlights of the prescription drug plans are listed in the Health Plan Comparison Charts.

*Did you know?* The prescription drug coverage in LADWP and IBEW Local 18-sponsored health plans is often better than most Medicare Part D plans available to Medicare-eligible individuals.

## Dental Plans

Similar to health care options, for dental care you can choose between a dental health maintenance organization (DHMO) and a preferred provider organization (PPO).

### Understanding DHMO Plans

DHMOs cover only the care you receive from their provider networks, unless you need emergency care outside the plan's service area. If you do not live in a DHMO's network area, you should not enroll in that DHMO's plan.

### Understanding PPO Plans

A dental PPO gives you the choice of using in-network or out-of-network dentists. You will generally pay more if you use out-of-network dentists.

All plans offer 100% coverage for diagnostic and preventive services. You can find a comparison of the dental plans in the Health Plan Comparison Charts.

**Note:** If you have Delta Dental coverage when you retire, you must choose a new plan in order to continue your dental coverage. If you do not change plans, you will not be able to enroll in a new dental plan until the next Open Enrollment period.

**IMPORTANT:** Retirees who receive a Notice of Premium

Due billing notice for a premium surcharge for Medicare Part D are responsible for paying the premium surcharge. Failure to pay the surcharge amount on the billing notice will result in a loss of coverage. LADWP does not pay the Medicare Part D premium surcharge. Medicare Part D enrollment does not apply to IBEW Local 18-sponsored plans.

You should not enroll in an individual Medicare Part

D Prescription Drug Plan if you are enrolled in a LADWP or IBEW Local 18-sponsored health plan. If you enroll in a Medicare Part D plan on your own, you will lose your LADWP-sponsored or IBEW Local 18-sponsored prescription drug and medical coverage as well as your LADWP subsidy.

### LADWP-Sponsored Plans

- ▶ United Concordia Plus Dental Plan (DHMO: California only)
- ▶ United Concordia Preferred Dental Plan (PPO)

### IBEW Local 18-Sponsored Plans

- ▶ Guardian Dental Plan (PPO)
- ▶ Guardian Dental Plan (DHMO: California only)

# Covering Your Eligible Dependents

If you elect coverage for yourself, you may also elect the same coverage for your eligible dependents. When you elect coverage for an eligible dependent, you will be asked to provide each eligible dependent's Social Security number along with all required documentation to verify eligibility. Failure to provide this information may result in loss of benefits. See the charts starting on page 18 for more details.

You can elect the same coverage for your:

- ▶ Lawful spouse
- ▶ Registered domestic partner
- ▶ Nonregistered domestic partner

## Covering Your Spouse or Domestic Partner

To elect coverage for your spouse or domestic partner, you must submit to the appropriate plan administrator (LADWP or IBEW Local 18) the documentation listed on **pages 18-20** to establish eligibility. After you submit the required documentation, you should follow up with the appropriate plan administrator to ensure it was accepted and to determine when the coverage will be effective.

The Affidavit of Domestic Partnership – Health and Dental Enrollment form authorizes your domestic partner to receive your health care benefits only. For your retirement benefits, you must file a separate affidavit with the Retirement Office.

For domestic partner coverage for Health Plan of Nevada, you must complete a Domestic Partner Rider form.

**NOTE:** If the spouse of a LADWP retiree, who is also a LADWP employee, retires, he or she may be eligible to receive the benefit(s) of the spouse provided that he or she is an eligible spouse as defined by the Retirement Plan. However, the retiree may only enroll in a single plan subsidized by LADWP (Section 1.04(e)(iii) of LADWP's Health Plans Resolution).

## Tax Implications

If you cover your domestic partner and his or her children under your coverage, you will pay income tax on the amount of the health and/or dental plan subsidy that LADWP pays for their coverage. However, if you and your domestic partner are in a California-recognized registered domestic partnership, you won't have to pay California state income tax on this subsidy.

## If You Marry Your Domestic Partner

If you're in a domestic partnership and you marry your domestic partner, you need to submit a copy of your certified marriage certificate, an enrollment/change form, and a Termination of Domestic Partnership form to the appropriate plan administrator (LADWP or IBEW Local 18) within 31 days from the date of marriage. If you do not submit the necessary documents, you will continue to pay income taxes on the subsidy for your domestic partner's coverage and any coverage for his or her children.

## If You and Your Spouse or Domestic Partner Divorce/End Partnership

If you and your spouse divorce, or you and your domestic partner terminate your domestic partnership, you must notify the appropriate plan administrator (LADWP or IBEW Local 18) by completing an enrollment/change form and, upon request, providing proof of the divorce/termination of domestic partnership within 31 days after the divorce/termination of domestic partnership is finalized. If you do not:

- ▶ You will be billed for any services incurred by your ex-spouse/ex-domestic partner, and
- ▶ You will continue to be taxed for your domestic partner.
- ▶ Your ex-spouse's COBRA rights will be forfeited.

See **pages 73-76** for more information on COBRA Continuation Coverage.

Your ex-spouse's/ex-domestic partner's coverage will end on the first day of the month after the forms are received.

## Covering Your Eligible Dependent Children

Children considered eligible dependents include your:

- ▶ Biological children
- ▶ Stepchildren
- ▶ Legally adopted children
- ▶ Children for whom you and/or your spouse are the legal guardian
- ▶ Children of your domestic partner (if you also cover your domestic partner)
- ▶ Grandchildren (if they are the children of your covered child)

To be your "eligible dependent," your child(ren) must be:

- ▶ Under 26 years of age, or
- ▶ 26 years of age or older and wholly unable to engage in any gainful occupation due to a mental or physical disability that was established and certified as a disability before age 26 through the health care provider. A copy of the certification must be provided to the appropriate plan administrator (LADWP or IBEW Local 18).

To cover your dependent child, you must submit the required documentation, listed on **pages 18-20**, to the appropriate plan administrator (LADWP or IBEW Local 18) within 31 days of qualifying event. The effective date is the first of the following month after submission.

### Grandchildren

You can cover a grandchild under your health and dental plans only if the grandchild is the child of your covered eligible dependent and meets eligibility requirements listed in the chart on **page 20**.

### Surviving Eligible Dependents

Upon your death, your surviving spouse or domestic partner and/or surviving children may continue coverage if they:

- ▶ Are eligible and receiving a monthly allowance under the Water and Power Employees' Retirement Plan, and
- ▶ Were covered as eligible dependents on your health plans at the time of your death.

In order to continue coverage, your surviving spouse or domestic partner must enroll in an LADWP-sponsored or IBEW Local 18-sponsored health plan within 60 days from your death. **If they do not enroll within this time frame, they will lose eligibility for surviving dependent coverage, and will not be eligible to enroll at a later date.**

There are a few important points to consider about surviving dependent coverage:

- ▶ The retiree premium rates are used to determine the health premium for surviving dependent(s).
- ▶ While surviving dependent(s) can enroll in dental coverage, the dependent will pay the full cost of coverage — there is no subsidy.

### Improper Use of Benefits

Retirees who receive benefits for themselves or their ineligible dependents from an LADWP-sponsored or IBEW Local 18-sponsored health or dental plan based on a false, deceptive or otherwise improper act may have their health or dental plan cancelled and may be considered ineligible for enrollment in LADWP-sponsored or IBEW Local 18-sponsored health and dental plans. In addition, retirees will be billed for any LADWP subsidy paid for ineligible dependents.

# 22 Paying for Coverage

## Health and Dental Plan Pay Periods

When you enroll in a health and/or dental plan, your portion of the cost will be deducted from your retirement check the month prior to when coverage is applied.

For example, to pay for March premiums, deductions will be taken during the pay period ending February 28. Deductions will be taken by March 31 to pay for April premiums, continuing with a similar structure for each month of the year. Use this chart as a cheat sheet for the deduction schedule:

Deduction Taken For Period Ending	Pay Health/Dental Premium For

February 28	March
March 31	April
April 30	May
May 31	June

September 30	October
October 31	November

## Health Plan Subsidy

If you are a retiree receiving a “Formula Pension” from the Water and Power Employees’ Retirement Plan, you are eligible for a health plan subsidy. LADWP’s health plan contribution is based on a formula accounting for years of service as a member of the retirement plan and age at retirement. The information is determined by the Retirement Plan Office.

**The maximum health subsidy for the 2022-2023 Plan Year is: Tier 1 at \$1,996.58 and Tier 2 at \$998.29.**

If you are the eligible spouse of a deceased retiree, you are eligible to receive the subsidy that would have been given to the deceased retiree if he or she were still living, if the eligible spouse was enrolled in the deceased retiree’s health or dental plan at the time of the member’s death and is eligible to receive a monthly allowance.

## Dental Plan Subsidy

If you are a retiree receiving a “Formula Pension” from the Water and Power Employees’ Retirement Plan, you are eligible for a dental plan subsidy. Spouses or surviving dependents are not eligible for the LADWP dental plan subsidy.

Health and dental subsidies can only be used for LADWP-sponsored or IBEW Local 18-sponsored health and dental plans; the contribution cannot be used for private insurance plans, the Marketplace or for plans of outside organizations.

## LADWP-Sponsored UnitedHealthcare (UHC) Preferred Provider Organization (PPO) Options

After you enroll in Original Medicare (Parts A and B), you may choose to enroll in the Medicare Advantage PPO plans A, B or C. You must be enrolled in Medicare Part B to be enrolled in one of these plans. You can see doctors outside the network for the same cost share as in-network providers as long as the provider participates in Medicare and accepts the plan. If your doctor is in the network, he or she must accept this plan if you are a current patient. Even though you are not required to see a network doctor, your doctor may already be part of the network. To find out, search the online provider directory at [www.UHCRetiree.com](http://www.UHCRetiree.com).

enroll in Medicare Part B at age 65, you may be eligible for reimbursement of the premium that's taken out of your Social Security check if you have enough LADWP subsidy left over after your health premium has been deducted. You must have enough subsidy to cover the entire Medicare premium, no partial reimbursement will be given. Contact the LADWP Health Plans Administration Office to find out if you're eligible, and obtain the forms to request the reimbursement. See **pages 67-69** for details.

- ▶ **LADWP can directly pay your Medicare Part B premiums.** You can make arrangements for your Medicare Part B premiums to be paid directly to the Centers for Medicare and Medicaid Services (CMS). To start this process, contact the LADWP Health Plans Administration Office at **(213) 367-2023** when you receive the Notice of Premium Payments Due statement from CMS to request the necessary form to enroll in group payment. It is also recommended that you call the LADWP Health Plans Administration Office a couple of days after you mail the documents to confirm receipt. See **pages 67-69** for details.
- ▶ **Forward Medicare Part B premium documentation received from Social Security to LADWP.** Any communications you receive from Social Security regarding your and/or your spouse's Medicare Part B premium should be forwarded immediately to the LADWP Health Plans Administration Office.

### Providing Proof of Medicare Coverage

Proof of Medicare coverage must be provided in the form of:

- ▶ Copy of Medicare Card
- ▶ Copy of Awards Letter

**It is your responsibility to inform the LADWP Health Plans Administration Office or IBEW Local 18 Benefit Service Center of any change in Medicare status by submitting proof from the Centers for Medicare and Medicaid Services (CMS).**

- ▶ **Medicare-eligible participants have Medicare Part D prescription drug coverage.** If you or your dependent is eligible for Medicare and enrolls in an LADWP-sponsored medical plan, your prescription drug coverage is an enhanced Medicare Part D Prescription Drug Plan that is offered through LADWP. If you receive a bill for a premium surcharge for Medicare Part D, **YOU MUST PAY THE PREMIUM SURCHARGE. IT IS YOUR RESPONSIBILITY TO PAY THIS. FAILURE TO PAY WILL RESULT IN LOSS OF COVERAGE.**

**IMPORTANT:** You should not enroll in an Individual Medicare Prescription Drug Plan on your own. If you do, you will lose your LADWP-sponsored prescription drug and medical coverage, and you will lose your LADWP subsidy. See **page 70** for details.

## Maintaining LADWP-Sponsored or IBEW Local 18-Sponsored Health Coverage with Medicare

If you are retired and age 65 or over, and you (and your spouse age 65 or older) would like to continue your LADWP-sponsored or IBEW Local 18-sponsored health plan, you must follow these steps:

## Medicare Part A (Hospital Insurance)

Medicare Part A (hospital insurance) covers some inpatient hospital care and limited care in a skilled nursing facility.

### Eligibility for Medicare Part A

To be eligible for Medicare Part A with no premium rate, you must:

- ▶ Have satisfied the federal requirements for work covered by Social Security (accrued at least 40 quarters of credits with Social Security),
- ▶ Be a citizen or permanent resident of the United States, and
- ▶ Have a current domestic address (no P.O. Box).

You can receive Part A at age 65 if you are already receiving retirement benefits from Social Security or the Railroad Retirement Board. Persons who qualify for a monthly Social Security check are automatically enrolled in Medicare Part A.

**Note:** LADWP does not pay for Medicare Part A.

For IBEW Local 18-sponsored plans, when you turn 65 you must be enrolled in both Medicare A and B to avoid losing coverage. Dependents are not required, by the plan, to have Medicare Parts A and B until the retiree is 65, **however**, any delay in Medicare enrollment for eligible members may be subject to penalties from Medicare. Additionally, if you are a Dependent over 65 and have not enrolled in Medicare Part B, Anthem Blue Cross will calculate and pay benefits, as your secondary plan, as if you had enrolled into Medicare as your primary plan. You should enroll in Medicare Part B as soon as possible to avoid potential liability. For more information on potential penalties, please call Medicare at **(800) 633-4227**.

## What's First: Medicare or LADWP?

Medicare is primary and your LADWP-sponsored health plan is secondary with LADWP's UnitedHealthcare Medicare Advantage HMO plans in either California or Nevada (with Medicare Part B only), and the UnitedHealthcard PPO plan. For Kaiser and UnitedHealthcare, once you provide the LADWP Health Plans Administration Office with your and/or your spouse's Medicare information, you and/or spouse cannot use Medicare on its own. Using Medicare on its own will cause your LADWP-sponsored health plan to end.

If you or your spouse have Medicare Part A only or Part B only, then you must file your medical claim (for facility services or physician services, respectively) with Medicare first. Once you or your provider (facility or physician) have received the Medicare Explanation of Benefits (EOB), the claim and the EOB must be submitted to UnitedHealthcare for secondary payment. The Medicare EOB is required in order for UnitedHealthcare to process the claim as secondary. This does not apply if you enrolled in a Medicare Advantage HMO plan with both Medicare Parts A and B.

For more information on the health plans available to retirees, see **page 13**.

## What's First: Medicare or IBEW Local 18 Anthem Blue Cross?

When you are enrolled in Anthem Blue Cross, Medicare is primary and Anthem is secondary.

Your claims get filed with Medicare first. Once you or your provider (facility or physician) have received the Medicare Explanation of Benefits (EOB), the claim and EOB need to be submitted by your provider to Anthem Blue Cross for secondary payment.

## Medicare Part B (Medical Insurance)

All retirees and dependent spouses age 65 and over, or otherwise eligible for Medicare Part B, must be enrolled in Medicare Part B, and maintain their Medicare Part B to remain in an LADWP-sponsored health plan.

For IBEW Local 18-sponsored plans, when you turn 65 you must be enrolled in both Medicare Parts A and B to avoid losing coverage. Dependents are not required, by the plan, to have Medicare Parts A and B until the retiree is 65, **however**, any delay in Medicare enrollment for eligible members may be subject to penalties from Medicare. Additionally, if you are a Dependent over 65 and have not enrolled in Medicare Part B, Anthem Blue Cross will calculate and pay benefits, as your secondary plan, as if you had enrolled into Medicare as your primary plan. You should enroll in Medicare Part B as soon as possible to avoid potential liability. For more information on potential penalties, please call Medicare at **(800) 633-4227**.

Medicare Part B (medical insurance) covers medical and surgical services provided by a physician, diagnostic X-ray and laboratory tests, outpatient hospital services, ambulance transportation, prosthetic devices, medical equipment and other services. Medicare Part B pays 80% of the allowable charges after the annual 2022 deductible (currently **\$233**) has been met. See your Medicare handbook or contact your local Social Security office for information regarding Medicare coverage.

### Eligibility for Medicare Part B

You are eligible for Medicare Part B if:

- ▶ You are a United States resident, a U.S. citizen, or an alien admitted for permanent residence with at least five years' residency.
- ▶ You also must have a current domestic address (no P.O. Box).

You must contact your local Social Security office to enroll in Medicare Part B. The current standard monthly premium for Medicare Part B is currently **\$170.10** (effective January 1, 2022).

### Take Action: Reimbursement of Medicare Part B Premiums

**Reimbursement of Medicare Part B is not automatic; you must request it in writing by completing a deduction authorization form and submitting the required supporting document(s) to the LADWP Health Plans Administration Office.**

**Reimbursement will begin the first of the following month after the LADWP Health Plans Administration Office receives your request and supporting documents. LADWP will not reimburse retroactively.**

#### Tip! Verify Eligibility for Reimbursements

After submitting required documents for reimbursement, contact the LADWP Health Plans Administration Office to confirm that your paperwork has been received.

## Eligibility for Medicare Part B Premium Reimbursement

You and your spouse may be eligible for the LADWP's quarterly Medicare Part B reimbursement if you are:

- ▶ A retired employee (surviving and eligible spouses are not eligible for Medicare Part B reimbursements), and
- ▶ Enrolled in Medicare Part B, and
- ▶ Receiving a monthly Social Security check, and
- ▶ Receiving an LADWP subsidy toward the cost of your health care plan that is equal to or greater than the cost of your health plan premium plus the cost of your Medicare Part B, and
- ▶ Not currently receiving reimbursement for your Medicare Part B premiums from another benefit plan.

Medicare Part B reimbursement eligibility is not guaranteed. Please check with the LADWP Health Plans Administration Office to determine eligibility.

## Medicare Part B Reimbursement Checks

Medicare Part B reimbursement checks are mailed quarterly to eligible retirees. Dates are subject to change, and checks are not guaranteed to be mailed by any certain date.

## Medicare Part B Reimbursement Reminders

- ▶ Reimbursement of Medicare Part B is not automatic. It is your responsibility to enroll in or request the LADWP to renew your Medicare Part B reimbursement. Annual Award Letters should be received in the LADWP Health Plans Administration Office on or before December 31 of each year to ensure continued benefits.

- ▶ Income Related Monthly Adjustment Amount (IRMAA) — It is imperative that you and your spouse provide the annual IRMAA notification to the LADWP Health Plans Administration Office by December 31 of each year. Failure to do so will result in benefit termination.
- ▶ LADWP will not make retroactive payments or reimbursements.

Any communications you receive from Social Security regarding your and/or your spouse's Medicare Part B premium should be forwarded immediately to the LADWP Health Plans Administration Office.

## Group Payment

If you do not receive a Social Security check, you may request LADWP to pay your Medicare Part B premiums on behalf of you and your spouse. Please contact the LADWP Health Plans Administration Office to request the necessary form.

## Verification Process

While LADWP continues its efforts to verify eligibility of your dependent(s), we must use your SSN for the process as required under the Health Insurance Portability and Accountability Act of 1996 (HIPAA). We understand and handle retiree information according to those requirements, which is included as part of LADWP HIPAA Policies and Procedures, Group Health Plan Amendments.

The Secretary of the Department of Health and Human Services has directed that all organizations comply with the mandatory insurer law (Public Law 110-173; Section 111). It requires our health plan to report information that the Secretary requires for purposes of coordination of benefits between your health plan and Medicare. In order for Medicare to properly coordinate

Medicare payments with other insurance and/or workers' compensation benefits, Medicare relies on our health plan to collect the Medicare Health Insurance Claim Number (HICN) or Social Security number (SSN) from you and your family members and submit them to Medicare.

If this information is not already on file with the LADWP Health Plans Administration Office, Medicare HICNs and SSNs will likely be requested in order to meet the requirements of this law. Unfortunately, if you or your family member is a Medicare beneficiary and you do not provide the requested information, the affected member may be violating obligations to assist Medicare in coordinating benefits. Please assist us by providing this information, if requested.

## Medicare Part D (Prescription Drugs)

### Medicare Creditable Coverage Notice

#### Important Notice for Medicare-Eligible Retirees from LADWP About Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it for your records. This notice contains important information about your current prescription drug coverage through your LADWP-sponsored or IBEW Local 18-sponsored health plan and about your options for enrolling in an individual Medicare prescription drug plan. If you are enrolled in an LADWP-sponsored health plan, your current prescription drug coverage is an enhanced Medicare Part D Prescription Drug Plan. If you are enrolled in an IBEW Local 18-sponsored medical plan, your current prescription drug coverage is not an enhanced Medicare Part D Prescription Drug Plan, but it is "creditable coverage."

There are two important things you need to know about your current prescription drug coverage through LADWP-sponsored or IBEW Local 18-sponsored plans and the individual Medicare prescription drug coverage:

- ▶ Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join an individual Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.

► If you're enrolled in an LADWP-sponsored health plan, your prescription drug coverage is an enhanced Medicare Part D Prescription Drug Plan. LADWP has determined that the prescription drug coverage offered by LADWP-sponsored and IBEW Local 18- sponsored health plans, on average for all plan participants, is expected to pay out as much as individual Medicare prescription drug coverage pays and is therefore considered creditable coverage.

**Remember:** For the LADWP-sponsored plans, once you reach the "catastrophic coverage" level, your costs will go up. The catastrophic coverage level is reached once a Medicare beneficiary spends \$7,050 out of pocket for 2022. The member will pay \$3.95 for generic, \$9.85 for brand-name or 5%, whichever is greater.

**Tip!**

When you have a choice of generic or brand-name prescription drugs, generic drugs are the more cost-effective option.

You are required to enroll in a Medicare Part D Prescription Drug Plan when you first become eligible for Medicare (or face higher premiums if and when you eventually enroll in an individual Medicare Part D plan) unless you are already enrolled in a plan that provides you with creditable coverage. Because your existing coverage through an LADWP-sponsored or IBEW Local 18-sponsored health plan is creditable coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to drop this coverage and join an individual Medicare drug plan. **Retirees are responsible for paying the premium**

**surcharge for Medicare Part D. Failure to pay will result in loss of coverage.**

### **When Can You Join an Individual Medicare Drug Plan?**

You can join an individual Medicare drug plan when you first become eligible for Medicare, and each year from October 15 through December 7. However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two-month Special Enrollment Period (SEP) to join an individual Medicare drug plan.

### **What Happens to Your Current Coverage if You Decide to Join an Individual Medicare Drug Plan?**

You should not enroll in an Individual Medicare Prescription Drug Plan on your own. If you do, you will lose your LADWP-sponsored prescription drug and medical coverage, and you will lose your LADWP subsidy. See **page 70** for details.

### **When Will You Pay a Higher Premium (Penalty) to Join an Individual Medicare Drug Plan?**

If you drop or lose your current prescription drug coverage with LADWP or IBEW Local 18 and do not join an individual Medicare drug plan within 63 days after your current coverage ends, you may pay a higher premium (a penalty) to join an individual Medicare drug plan later.

If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go 19 months without creditable coverage, your premium may consistently be at least 19% higher than

the individual Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have individual Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

**Remember: Keep This Creditable Coverage Notice**

If you decide to join one of the individual Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you're required to pay a higher premium (a penalty).

# Continuing Coverage with COBRA

The following notice applies to all participants covered under a group health plan maintained by LADWP or IBEW Local 18. This notice generally explains group health insurance continuation coverage, when it may become available and what you need to do to protect your right to receive it. It is important that all covered individuals take the time to read this notice carefully and be familiar with its contents.

## Consolidated Omnibus Budget Reconciliation Act (COBRA)

Health and/or dental coverage ends on the last day of the month in which your employment with LADWP ends. You may be able to extend your health and/or dental coverage with COBRA as outlined below.

As initially enacted in 1985 under the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA), employers are required to provide employees and their covered dependents the opportunity to elect continued group health coverage upon the occurrence of certain “qualifying events.” Under this federal law, LADWP is required to offer this opportunity for a temporary extension of health coverage called “continuation coverage” at group rates. This coverage, however, is only available when coverage is lost due to certain qualifying events. Should an actual qualifying event occur in the future, the plan administrator will send you additional information and the appropriate election notice at that time.

## Qualifying Events for Covered Spouses

- ▶ Death of covered retiree
- ▶ Divorce from a covered retiree or, if applicable, legal separation from the covered employee or covered retiree
- ▶ Your spouse becomes enrolled in Medicare benefits (Part A, Part B or both)

## Qualifying Events for Covered Children

- ▶ The death of the parent-employee

- ▶ Parent’s divorce or, if applicable, legal separation
- ▶ The parent-employee becomes enrolled in Medicare benefits (Part A, Part B or both)
- ▶ Covered dependent ceases to be an eligible child under the terms of the LADWP group health plan

## Qualifying Events Defined Under COBRA

A COBRA qualifying event occurs when an event listed in the COBRA statute occurs, and the event causes a covered employee, a covered spouse or a covered dependent to lose health insurance under an employer’s group health plan. To lose health insurance means the individual ceases to be covered under the same terms and conditions they were covered under before the event happened.

## Important Notification Requirements Under COBRA

Under COBRA, a covered employee, a covered spouse or other covered family member has the responsibility to notify the appropriate plan administrator (LADWP or IBEW Local 18) of any qualifying event, including death, divorce, legal separation, or when a dependent ceases to be a dependent under the LADWP Health Plans Administration or IBEW Local 18-sponsored plans. This notification must be made within 60 days from the date of such event.

If this notification is not completed within the 60-day notification period, the right to continuation coverage is forfeited.

## Eligibility Under COBRA

You, your spouse and your children are eligible for COBRA continuation if you and your dependents were covered under the plan on the day before the qualifying event. Once the election to continue coverage has been made, additional dependents may be added following the same guidelines specified on **pages 10-11** of this guide. You, your spouse and your dependents have independent election rights and must make an election for continuation coverage to become effective. If you have a covered dependent whose legal residence is different from yours, you must provide written notification to the appropriate plan administrator (LADWP or IBEW Local 18) so that a notice can be sent to them as well. Should you add more children in the future, notice to the covered employee and spouse at this time will be deemed notification to the newly covered dependent.

### Domestic Partners Are Not Eligible for COBRA

While LADWP and IBEW Local 18-sponsored group health plans allow domestic partners to be covered, if a domestic partner loses group health insurance as a result of one of the listed qualifying events under the COBRA statute, the domestic partner will not be offered the opportunity to continue the group health insurance. This is because COBRA is regulated under federal law. Under federal rules, the term “spouse” does not include domestic partners.

### Election Period and Coverage

Once the appropriate plan administrator (LADWP or IBEW Local 18) has been notified of a qualifying event, the formerly covered individual(s), also known as “qualified beneficiaries,” are notified of their right to elect continuation coverage.

Each qualified beneficiary has independent election rights and will have 60 days to elect continuation coverage. The 60-day election window is measured from the latter of the date of notification or the date of the end of coverage. This is the maximum period allowed to elect continuation coverage, as the plan does not provide an extension of the election period beyond what is required by law.

If a qualified beneficiary does not elect continuation coverage within the 60-day election period, then rights to continue health insurance will end, forfeiting any rights and protections that were afforded to the participant under the COBRA law. Once a qualified beneficiary elects continuation coverage, he or she has up to 45 days to pay the first premium. You may not have a lapse in coverage. Premiums will be due back to your original termination date.

The length of continuation coverage is:

- ▶ 18 months for formerly covered employees
- ▶ 36 months for formerly covered spouses and/or children for events other than the employee’s termination of employment or reduction in hours

### California COBRA AB 1401

California COBRA AB 1401 (effective September 1, 2003) stipulates that an employer shall offer an insured who has exhausted continuation coverage under COBRA the opportunity to continue coverage for up to 36 months from the date the insured’s continuation coverage begins if the insured is entitled to less than 36 months of continuation coverage under COBRA.

### Continuation Coverage from 18 Months to 29 Months

Two situations will extend continuation coverage beyond the coverage date if

applicable. The 18 months of continuation coverage will be extended for an additional 11 months of coverage, to a maximum of 29 months, for all qualified beneficiaries provided that the:

- ▶ Social Security Administration determines a qualified beneficiary was disabled according to Title II or XVI of the Social Security Act as of the date of the qualifying event or at any time during the first 60 days of continuation coverage. It is the qualified beneficiary's responsibility to obtain the disability determination from the Social Security Administration and provide a copy of the Social Security Disability determination to the LADWP Health Plans Administration Office or IBEW Local 18 Benefit Service Center (for Anthem Blue Cross plans) within 60 days of the date of determination and before the original 18 months of continuation coverage expires; or
- ▶ Secondary event takes place (divorce, legal separation, death, Medicare entitlement or a dependent ceasing to be a dependent). If a secondary event occurs, then the original 18 or 29 months of continuation coverage will be extended to 36 months from the date of the original qualifying event date for dependent qualified beneficiaries. If a secondary event occurs, it is the qualified beneficiary's responsibility to notify the LADWP Health Plans Administration Office or IBEW Local 18 Benefit Service Center in writing within 60 days from the secondary event, and within the original 18-month continuation coverage timeline. In no event, however, will continuation coverage last beyond three years from the date of the event that originally made the qualified beneficiary eligible for continuation coverage.

### Monthly Premiums Under COBRA

Group health coverage for COBRA participants is usually more expensive than health coverage for active employees, since a COBRA participant is required to pay the entire cost for health insurance plus a 2% administration fee for regular federal COBRA, but that goes up to 10% for California COBRA. Premiums may be increased if the costs to the plan increase but generally must be fixed in advance of each 12-month premium cycle. The initial premium payment must be paid within 45 days of the election. You may not have a lapse in coverage. Premiums will be due back to your original termination date.

Premiums for successive periods of coverage are due on the first of each month, but a qualified beneficiary has a 30-day grace period to pay the monthly premium, and the envelope must be postmarked within or by the end of the grace period. The 30-day grace period is measured after the due date (first of the month). If the monthly premium is not paid by the due date or within the 30-day grace period, the continuation coverage elected is cancelled. Monthly premiums could be adjusted during the continuation period if the applicable premium amounts change.

### Medicare Entitlement Under COBRA

If an individual is on continuation coverage and becomes entitled to Medicare after the date of COBRA election, the COBRA coverage can be terminated. However, as clarified under the final COBRA regulations, if an individual has been entitled to Medicare and becomes eligible for COBRA continuation, the individual is allowed to have both.

## Cancellation of Continuation Coverage Under COBRA

Continuation coverage will terminate prior to the expiration of the continuation period (18 or 36 months) for any of the following reasons:

- ▶ LADWP ceases to provide any group health plan to any of its employees;
- ▶ Any required monthly premium for continuation coverage is not paid in a timely manner. Monthly premiums are due on the first day of each month. In addition, qualified beneficiaries have a maximum 30-day grace period after the due date in which to pay these monthly premiums;
- ▶ A qualified beneficiary notifies the LADWP Health Administration Office to cancel continuation coverage and request a cancellation form;
- ▶ A qualified beneficiary, after the date of election, becomes entitled to Medicare;
- ▶ A qualified beneficiary extended continuation coverage to 29 months due to a Social Security disability, and a final determination has been made that the qualified beneficiary is no longer disabled;
- ▶ For cause, on the same basis that the plan terminates the coverage of similarly situated non-COBRA participants;
- ▶ A qualified beneficiary enrolls in another group health plan.

## Conversion After COBRA

Some health and dental plan providers offer the opportunity to convert to an individual plan (versus group coverage through LADWP) following cancellation of COBRA coverage.

Plan providers that offer conversion to individual coverage:

- ▶ Kaiser HMO
- ▶ UnitedHealthcare HMO
- ▶ Health Plan of Nevada HMO
- ▶ IBEW Local 18-sponsored Anthem Blue Cross health plans

Plan providers that do not offer conversion to individual coverage:

- ▶ Delta Dental
- ▶ United Concordia
- ▶ IBEW Local 18-sponsored Guardian Dental plans

However, members can contact United Concordia or IBEW Local 18-sponsored Guardian Dental plans after COBRA is exhausted and request an individual plan. For more information, please contact member services for your health or dental provider.

## Health Care Reform

The Affordable Care Act (ACA), also known as the health care reform law, was signed into law in 2010. While the law was created to expand access to health care coverage, control health care costs and improve health care quality and coordination, it also impacts employer-sponsored health plans. In the past, you've seen certain changes to your benefits. Examples include receiving the Summaries of Benefits and Coverage (SBC) documents or allowing adult children up to age 26 to enroll in LADWP-sponsored or IBEW Local 18-sponsored plans.

## Notice of Grandfathered Status

The Los Angeles Department of Water and Power (LADWP) believes all LADWP-sponsored health plans, except the UnitedHealthcare PPO Plans and IBEW Local 18-sponsored health plans for LADWP active employees, are "grandfathered health plans" under the Affordable Care Act (ACA). As permitted by the ACA, a grandfathered health plan can preserve certain basic health coverage that was already in effect when that law was enacted. As health plans that are grandfathered, LADWP-sponsored health plans may not include certain consumer protections of the ACA that apply to non-grandfathered plans – for example, certain provisions affecting benefits for emergency services. However, grandfathered health plans must comply with certain other consumer protections in the ACA – for example, the elimination of lifetime limits on benefits. Questions regarding which protections apply and which protections do not apply to a grandfathered health plan, and what might cause a plan to change from grandfathered health plan status can be directed to the plan administrator.

## Improper Use of Benefits

Retirees who receive benefits for themselves or their ineligible dependents from an LADWP-sponsored or IBEW Local 18-sponsored health or dental plan based on a false, deceptive or otherwise improper act may have their health or dental plan cancelled and may be considered ineligible for enrollment in LADWP-sponsored or IBEW Local 18-sponsored health and dental plans. In addition, retirees will be billed for any LADWP subsidy paid for ineligible dependents.

## Where to File Complaints — Department of Managed Health Care

The LADWP-sponsored and IBEW Local 18-sponsored health and dental plans are licensed under a California law known as the Keene Care Service Plan Act of 1975, which is administered by the Department of Managed Health Care (DMHC). If you wish to file a complaint against your health or dental plan with the DMHC, you may do so

only after you have contacted your health or dental plan member service and used the plan's grievance process. However, you may immediately file a complaint with the DMHC if the health or dental plan has not satisfactorily resolved your grievance within 30 days from filing a formal complaint with the health or dental plan. The DMHC toll-free telephone number is **(800) 400-0815**; the DMHC website is **[www.dmhc.ca.gov](http://www.dmhc.ca.gov)**.
